FORENSIC AUDIT OF PALPA'S FINANCIAL AFFAIRS FOR THE PERIOD 2020–2024 – PROGRESS AND FULFILMENT OF AGM RESOLUTION.

Dear Members, السلام علیکم

November 23, 2026.

The incumbent Executive Committee is pleased to update all respected members regarding the progress of the Forensic Audit of PALPA's financial affairs and records for the period 2020 to 2024.

As committed to the General Body and in pursuance of the resolution passed during the Annual General Meeting held on 15th November 2025, the incumbent Executive Committee has diligently pursued the assignment of conducting a comprehensive Forensic Audit to ensure transparency, financial accountability and good governance within the Association.

We are pleased to share that the Forensic Auditors, Mr. Altaf Noor Ali, Chartered Accountants, has formally communicated the following important developments:

1. **Completion of the opportunity for personal appearances:** The time frame allocated for personal appearances of the former Executive Committee members (2020 to 2024), as well as certain staff members, has now concluded.

2. **Repeated opportunities for clarification:** The Auditors confirmed that repeated extensions were provided, and availability was communicated through the Association to enable the concerned former office-bearers and staff members to appear and clarify relevant financial queries relating to the period under review.

3. **Non-appearance of concerned individuals:** Despite these opportunities and extensions, certain former office-bearers and members of the Executive Committee (2020 – 2024) opted not to appear before the Forensic Auditors, reasons best known to them. The Auditors have placed this non-cooperation on record as a matter of individual choice.

4. **Finalization of the audit report:** The Auditor has confirmed that, on the basis of the evidence and records extracted and examined, the process of finalizing the Forensic Audit Report is underway and expected to be submitted to the Executive Committee.

The incumbent Executive Committee firmly believes that transparency and accountability are fundamental principles of any representative professional Association. The decision to undertake this Forensic Audit was not merely an administrative exercise; it was a commitment to the membership and an institutional responsibility towards safeguarding PALPA's interests.

It is pertinent to mention that, at the time we assumed charge, the audits for the financial years 2023–2024 and 2024–2025 had not been conducted by the outgoing Executive Committee, despite being among its statutory and legal obligations. Upon assuming charge, we took the necessary steps to complete the audits for both financial years. Subsequently, the Forensic Audit process was initiated in August 2026.

The Executive Committee has fulfilled its responsibility by facilitating the audit process, extending cooperation to the Auditors and ensuring that the concerned individuals were provided reasonable opportunities to clarify financial/administrative matters relating to the period under review.

The incumbent Executive Committee reiterates that it has honoured the commitment made to the General Body through the AGM resolution dated 15th November 2025. The completion of the audit exercise and the forthcoming final report represent an important step towards strengthening institutional transparency and accountability.

Upon receipt of the finalized Forensic Audit Report and the subsequent Audit Reports for the years June 30, 2023, June 30, 2024 & June 30, 2025, the same shall be placed before the forthcoming Annual General Meeting (AGM).

Promises made to the membership must translate into action. The incumbent Executive Committee is proud to have pursued this responsibility with commitment, determination and a clear sense of accountability.

We thank all PALPA members for their patience, confidence and continued support.

With Best Regards,

Capt (Retd) Haroon Abdullah
