

LONG LIVE THE UNITY OF PILOTS

Dear PALPA member, Assalam-o-Alaikum

I the Capt. Basharat Ali Chaudhry with the support of all PALPA members "Alhamd-Do-Lillah" would like to contest the forth-coming PALPA Elections 2010-2012 for the post of PALPA President.

MOTTO

"SAFER FLYING"

- I believe in to uphold the honour and dignity of our members.
- I believe in to cooperate with each other in all, which affects our common interest.
- I believe in to exchange pertinent information on the matters of common interest.
- I believe in to respect the constitutional machinery to resolve the differences between members and to abide by the decision reached.
- I believe in to refrain from abusing the confidence of members reposted in me.
- I believe in to speak without-fear or favour to expose the person or association guilty of any action detrimental to the best interest of airline pilots.
- I believe in not-to allow any consideration of politics, race, colour, or creed to influence the free and fair determination of policy decision.
- I believe in to faithfully observe the provision of the PALPA constitution.

MANIFESTO

- To re-address the language and the meanings of the working agreement in the best interest of the operator and the association.
- To resolve all the working agreement issues and the disputes without any loss to the operator and the PALPA members under the provision of the civil aviation rules, corporate and the state law.
- To monitor the implementation of the working agreement.
- To add in referendum clause in PALPA constitution to acknowledge the status of the working agreement by the membership before implementation, to illuminate human negligence. Mandatory 51% referendum support required by the membership, As most of the airlines follow this practice e.g. Delta Airlines,

Best regards,

LONG LIVE THE UNITY OF PILOTS
