# INFO

### **ALL PALPA MEMBERS:**

August 20, 2009.

السلام عليكم

The Executive Committee wants to bring the following to your attention in order to keep you updated on the latest happenings.

1. In our INFO dated 6<sup>th</sup> August 2009, the details/reasons were highlighted about annulling the MoU between PALPA and the PIA management signed on 30<sup>th</sup> July 2009. The annulment has been confirmed by the management and the relevant authorities in the Aviation division of Ministry of Defence (MOD) have been informed accordingly. All endeavours are being made to negotiate and finalize the Working Agreement.
2. The Executive Committee had unanimously decided to suspend the membership of Capt. Aijaz Haroon as per clause 3.3.7 of the PALPA Constitution. He has been charged under Rule 3.3.2.1 clauses (b), (c) and (f) under the clause 'misconduct'. The action has been taken on the accusations made against the pilot community, which were defamatory, demeaning and slanderous.
3. The management is carrying out inquiries against some of our members, show caused earlier, on the grounds, which were flimsy and inadequate. The Executive Committee has no doubts at all that this action is being taken to victimize these individuals besides intimidating the others. All these pilots had remained within the rules of the Corporation and did not violate the FDTLs. Their only 'crime' is that they did not extend extra cooperation to the management. The Association and the entire membership shall do whatever it takes to defend and support the esteemed members who are being harassed by the management.

Thanking you,

Yours sincerely,

F/O Arif Majeed  
GENERAL SECRETARY
