**DEAR MEMBERS:**

June 06, 2008.

السلام عليكم

You must be fully aware of the recent incidents, which appeared in the print and electronic media implicating Cockpit Crew of permitting un-licensed crew in the Cockpit. The Association has done its best to support its affected pilots as they were being blamed for something they had not indulged in. The respective inquiries in the incidents carried out by the Flight Operations have exonerated the crew. But to preclude any such incident in future, the Association requests all its members to adhere to the instructions issued by the Flight Operations on the subject of:-

1. Keeping the Cockpit door closed and locked at all times during the flight.
2. No person should be permitted to occupy the J/Seats in the Cockpit except the Licensed Flight Crew members.

It is also emphasized here that as pilots, for obvious reasons, we are being watched closely by everyone because of the recent changes in the top PIA Management. Let us not give any chance to any one to malign us individually or our esteemed Association.

Thanking you,  
Yours sincerely,

**F/O Arif Majeed**  
**GENERAL SECRETARY**
