INFO

Dear Members:

October 08, 2012.

السلام عليكم

In the Special General Meeting dated 9th September 2012, the house resolved that the levy of 0.5 times flying allowance for the welfare of the retired pilots and their families may be discontinued for want of thorough discussion on the matter.

Accordingly, the levy of 0.5 times of the flying allowance has been discontinued for the time being and a comprehensive report would be submitted in the next General Meeting for approval.

There is an amount collected by PALPA from the membership by imposing the levy of 0.5 times of the flying allowance w.e.f. 10th April 2012 till 5th October 2012. We have been utilizing the assistance received from the members for welfare of retired pilots and their families, however, if any member wants a refund he/she is most welcome to approach the General Secretary.

To meet the required amount for the welfare of the retired pilots and their families, the Executive Committee PALPA in its meeting dated 2nd October 2012 has decided to impose a fixed charge of Rs. 500/- per month for pilots having served PIAC for less than 15 years and Rs. 1,000/- per month for pilots having served PIAC for more than 15 years. This arrangement shall continue till a final decision is taken by the General Body.

Thanking you,

Yours sincerely,

Capt. Suhail Baluch
