السلام عليكم

THE FOLLOWING PRESS RELEASE IS BEING SENT TO YOU FOR YOUR INFORMATION.

"PIA Pilots representative body, the Pakistan Air Line Pilots' Association (PALPA) has verifiably given all out support to all Managements during Hajj operations. The pilots of the Airline have always gone beyond the call of duty to transport pilgrims to the Holy land, and we resolve to do the same in the on-going Hajj operation.

Attempts are being made to withdraw certain professionally required facilities and amenities that the pilots are entitled to. PALPA would like to re-emphasize to the public that it honours all commitments made within the stipulated rules and regulations, which are within the parameters of Flight Safety.

The lapses, if any, in any other sphere of the Hajj operations shall not be attributable to the pilots of the Association. The pilots assure once again of the wholehearted support to ensure smooth Hajj operations already underway. The PIA Management is requested to facilitate the pilots to carry out this sacred duty without any let or hindrance".

Thanking you,

Yours sincerely,

F/O Arif Majeed
GENERAL SECRETARY
