PALPA & AVIATION SAFETY-CHALLENGES AND STRATEGIES

Dear Colleagues,

July 08, 2010.

اسلام وعلیکم

Pakistan Airlines Pilots Association (PALPA) in coordination with **International Society of Air Safety Investigators (ISASI) & International Federation of Air Line Pilots' Association (IFALPA)** is hosting an International Seminar on "**PALPA & Aviation Safety-Challenges & Strategies**" in PALPA Club House premises, Karachi on 13th & 14th July, 2010.

You all are aware that PALPA has been working diligently to enhance air safety through a dedicated program to inculcate safety culture in Pakistan Aviation Industry and also to identify existing critical issues in our aviation, which affect aviation personnel and create awareness in public for their contribution to air safety.

During the IFALPA Conference in Marrakech, the PALPA delegates requested the President IFALPA, Capt. Carlos Limon, to assist us in organizing an International Standard Safety Seminar in Pakistan. He honoured his commitment and by the Grace of Allah Almighty, we are conducting a two day Safety Seminar in PALPA premises on 13th & 14th July 2010. The proposed Safety Seminar would provide a platform to discover new ideas for improving air safety and raise public awareness for their contribution to the cause.

The under mentioned foreign delegates are participating:-

1. Capt. Carlos Limon (President – IFALPA)
2. Capt. Gavin McKellar
3. Capt. Heriberto Salazar
4. Capt. Carlos Arroyo Landero

Other than foreign delegates, speakers from the under mentioned organizations will also participate.
