Dear Members, السلام عليكم

May 22, 2021.

Today we all remember in unison the tragic loss of lives of passengers and crew on board PK-8303. Our heart goes out to the families of SHAHEEDs (By ALLAH's will) and we pray for all departed souls.

The devastation of this incident and pain for the loss of our dear ones shall always be with us for times to come. We, as a community, stand together with the families of our crew and passengers and convey our deepest sympathies.

PALPA Executive Committee requests the membership to offer special prayers for the departed souls and keep them in duas.

Prayers and fond memories are what we have to remember our dearly departed colleagues.

With Best Regards,

Capt. Narejo
GENERAL SECRETARY
