All PALPA Members, السلام عليكم

September 08, 2022.

PALPA Executive Committee is indeed overwhelmed by the support extended by the membership in get-together held at PALPA House on 5th September, 2022. The houseful turn out is not only the true manifestation of our unity but also the keen interest our membership has in affairs directly influencing our working conditions. This great collaboration has further strengthened the resolve and boosted the confidence of Executive Committee to work even harder.

Executive Committee is in gratitude for the confidence reposed on to us and shall certainly be following the guidance deliberated and adopted by the majority of our membership.

Executive Committee further assures that all efforts shall be directed to convey the feelings of our membership to higher management and authorities for mitigation of burning issues. Furthermore, all steps shall be taken to achieve the collective goals of our membership.

We once again are thankful for the steadfast support and unflinching trust.

With Best Regards,

Capt. Narejo
