INFO

Dear Members, السلام عليكم

January 20, 2026.

I am pleased to inform the PALPA membership that today we have received the confirmation of PALPA's membership certificate from IFALPA. **ALHAMDULILLAH**, the same is enclosed for the perusal of our members.

PALPA and IFALPA share a long and distinguished history, a legacy that many of our younger members may not be fully aware of. It is important to recognize the significant role PALPA has played, and continues to play, within the global pilots' community and the World Pilots' Association.

At times, some members feel that PALPA may be of no direct benefit to them. However, I would like to reassure all members that PALPA has always stood by its pilots and, **INSHA'ALLAH**, will continue to support and assist its members whenever and wherever needed.

Special Note of Appreciation:

The Executive Committee places on record its sincere appreciation and special thanks to Capt. Mohsin Malik, IFALPA Director, for his dedicated efforts and valuable contribution in restoring and strengthening PALPA's relationship with IFALPA. His commitment and perseverance have played a key role in achieving this important milestone.

PALPA remains fully committed to safeguarding the professional, legal, and welfare interests of its members at both national and international forums.

With Best Regards,

Capt. (Rtd) Arif Majeed
GENERAL SECRETARY
