PALPA SUBSCRIPTION OF ACTIVE PILOTS.

Dear Members, السلام عليكم

March 05, 2026.

The PALPA Executive Committee, through an INFO dated 4th December 2025, provided various options to facilitate members in conveniently paying their subscription. The options are reiterated below for your ready reference:

1. Current Month + One Month Subscription
2. Current Month + Six (06) Equal Monthly Installments of the Remaining Balance
3. Current Month + Fixed Amount Plan
 - o Captain: Rs. 15,000/- per month
 - o First Officer: Rs. 10,000/- per month

Considering your individual circumstances, you may select any of the above options or propose a personal payment plan that suits you best.

Needless to emphasize, PALPA is your own Association, dedicated to safeguarding your professional interests and welfare. As pilots flying to international destinations, we may require the support of IFALPA at any time, as seen during the recent airport closures in the Gulf region, or any incident, occurrence, accidents etc.

Your continued support is therefore vital for the effective functioning and strengthening of the Association. The Executive Committee remains fully committed to restoring and maintaining the stature of this prestigious institution, and your cooperation in fulfilling membership obligations will greatly contribute to this effort.

We look forward to hearing from you.

With Best Regards,

Capt (Retd) Arif Majeed
GENERAL SECRETARY
